

Top 6 Ways to Keep Employees Happy

from Jeffrey L. Garratt, president of the Garratt-Callahan Company

Have good communication, keep your door open, and encourage feedback

Provide growth opportunities for your employees

Be honest and transparent about how the company is doing and the expectations

Minimize glass ceilings

Provide clear goals for the company's future

Provide employees with new technologies so they can succeed

Keep employees happy, prevent turnover, and build a team of professionals who want to work together for decades. Listen to Jeff's Scaling UP! H2O interview at scalinguph2o.com/295.
