

# Water Treatment Project Success: Essential Steps for New Facilities and Expansions

ON THE SCALING UP! H2O PODCAST

## Scaling UP! H2O Podcast Releases Episode 398 Featuring Walker Burnette

Scaling Up H2O is thrilled to announce the release of its newest podcast episode, "Water Treatment Project Success: Essential Steps for New Facilities and Expansions," featuring industry expert **Walker Burnette**, CWT. This highly anticipated episode, set to release today **December 13, 2024**, promises to provide valuable insights for water treatment professionals and stakeholders involved in both new and expansion projects at [www.ScalingUpH2o.com](http://www.ScalingUpH2o.com).

### What Listeners Will Learn:

In this episode, Walker Burnett shares key lessons for achieving long-term success in water treatment projects. He highlights the importance of asking questions early and often when working with engineering firms and contractors to ensure no critical details are missed. Burnett explains how proactive engagement and clear communication can set the foundation for a seamless and effective water treatment program, minimizing future issues and ensuring project success.

### Key Takeaways:

- The importance of proactive communication and early involvement in water treatment projects.
- Why asking questions can make the difference between a smooth project and future complications.
- Practical advice for addressing key issues upfront to "get it right the first time," saving time and resources in the long run.

## Scale UP Your Water Treatment Project Success

With a commitment to providing accessible education for water professionals, the Scaling UP! H2O Podcast continues to be a trusted resource for valuable insights and expert advice. The show aims to help listeners expand their knowledge base without the burden of costly training sessions or extensive research.

Tune in on December 13, 2024 to learn from Walker Burnette's expertise and discover actionable steps that can transform your approach to water treatment projects. Visit [scalinguph2o.com/398](https://scalinguph2o.com/398) to find out more!
